Presidents Report

Hard to believe that we are entering the last quarter of the year and the warm weather is just around the corner where getting up early to attend Club events seems a little easier. Old cars tend to cough and splutter somewhat when asked to wake up on a cold morning, well at least those still running carburettors do so.

As most would know the Club has been run for most of the year by a combination of Vice President, Secretary, Treasurer assisted by general Committee members but this came to a close in accordance with the Constitution at the August AGM.

You can see who the new faces are by looking at the list of Office Bearers and Committee contained within the Newsletter.

A special thank you to Gary Newman who is stepping down from the Treasurer's role for his assistance during the year.

In reality not a lot has changed but I will be stepping into the President's role and I trust I can do a good job that will benefit the Club members and add to what is already a great Club. We have some good people as Office Bearers and Committee members and if we work as a Team it makes it all a lot easier.

For 2018 it would be great to see some new faces organising either a Mystery Run or Cruise – help is always at hand from Office Bearers and Committee members to assist and/or provide guidance in running an event.

Happy and safe Small Ford motoring.....

Phil Coffey

Cruise to Broke Village and Vintage Car Display

Sunday 10th September 2017

Old Toll Gates - Berowra

Meet from 9 am – Depart 10 am

Join us on Sunday 10th September at the Old Toll Gates (now truck stop), Old Pacific Highway, Berowra where we will be cruising north to the Village of Broke in the Hunter. We will be meeting at 9.00am and expect to depart at 10.00am on the cruise.

This Cruise has been set by Phil Coffey and Steve Lansley to allow for a scenic run using roads that will allow you to enjoy your car. The cruise will finish at the Broke Village Fair which is on at McNamara Park in Broke.

The Fair is a family friendly event with plenty of activities to keep everyone entertained. Of course, for most of us, the highlight will be the Vintage Car Display so it should be an enjoyable day for all.

Please note there is a Gold Coin donation to enter the Fair.

The logo for the Broke Village Fair features a stylized, multi-colored banner (orange, red, green, blue) above the word "BROKE" in a large, black, serif font. Below "BROKE" are the words "VILLAGE FAIR" in a large, black, serif font, and "AND VINTAGE CAR DISPLAY" in a smaller, teal, sans-serif font at the bottom.

Club Swap Meet

Saturday 24th September 2017

Event Cancelled

At the start of the year we had planned this new event but due to the logistics in planning such a day we have had to cancel it for this year. Hopefully we can add it to next year's calendar.

However, we are replacing this event with the another in October, where you will have the chance to attend the Capital All Ford Day (see details below).

Club Mystery Run

Sunday 8th October 2017

ROAD DIRECTOR REQUIRED PLEASE

The Sunday 8th of October has been set down as a Mystery Run but can be changed to a cruise if it makes it easier for a member to organise.

We're looking for input from members who may have a favourite run or cruise that they may like to share with the rest of us. As the cruise in September is North maybe this could be South? So, any ideas or volunteers please let us know so we can publish the details in the next Newsletter.

Club Mystery Run

Sunday 19th November 2017

Meeting at **7 - Eleven**

Cnr Quakers Hill Parkway & Lalor Road,
Quakers Hill NSW

Arrive at 9 am for a 9.30am start

No this is no typo or a case of déjà vu, we're having another Mystery Run in November. This Mystery Run has already been planned and will be run by Steve and Janelle Lansley. If you haven't been on one of their previous runs then you're in for a day of fun.

The day is a rather casual affair with questions to answer and a game of skill sometimes thrown in. There is a luncheon on at the end of the event. So, don't worry if you miss any clues, you'll get to copy all the correct answers from your fellow competitors over lunch.

SFCC Annual Concours' and Display Day

Sunday 5th November 2017

Camden Showground
Argyle Street, Camden NSW

This is shaping up as a great event and if you cannot make it to anything else during the year you must make it to this event. It is actually the biggest event on the club's calendar and we encourage all members to attend with their small Ford, regardless of condition.

This day isn't only about show cars, we want to see your daily driver and/or your project car. There is ample parking so bring it on a trailer if you must.

If your car is on Historic Rego then this is the one event we expect you to attend with your car.

Special Note: If you have offered your help on the sub-committee being set up for this event please see Geoff Bayliss at the September Club meeting.
